**You have a choice!
Choose one of these books.**

One Book, One Harmony hopes to bring together book-loving staff, parents and community members. This year, it comes with a twist and a choice! Choose the book you prefer to read and come talk (or listen) about it. Also, there will be a “blind date” book exchange. If you have a book you would like to donate, please drop it off in the office several days before the dinner for Mrs. Demarest.
