

COVID-19 Testing Sites

The following is a list of sites within Warren County or in the near vicinity. Please see the procedures and contact information below to get tested for COVID-19.

Acme Markets in Blairstown At-Home Test through Albertsons Company Pharmacies:

<https://local.pharmacy.acmemarkets.com/nj/blairstown/152-route-94.html>. To order, scroll down and click on “Learn More” at COVID-19 At-Home Tests. Tests can be picked up or delivered to your home. No insurance accepted; out-of-pocket costs.

Atlantic Health System

Call your Atlantic Medical Group primary care physician who can provide a prescription for testing. If you would like to make an appointment with an Atlantic Medical Group physician, call 1-844-264-2250 for assistance. If you are uninsured, call the Atlantic Health System Community Support Line at 1-862-260-3199 for assistance.

CVS: You can only schedule an appointment online at <https://www.cvs.com/> (DO NOT CALL YOUR PHARMACY); \$0 out-of-pocket cost with insurance or federal program for uninsured:

- Click on “Book an Appointment” at the top of the page
- Enter your zip code, city or state
- Complete online form to determine your eligibility for testing **and click Submit**
- Select the location and the date you want to receive a test (if there are no dates available at your location choice, choose a different CVS location or select a different date at the top of the page)
- Select the time you wish to receive the test (in red blocks for each specific location)
- Follow the instructions to complete the entire form **and click Submit**

Excel Urgent Care of Chester:

2 North Road, Units E & F, Chester, NJ 07930

Phone: (908) 888-2541

Call ahead to make an appointment.

Hunterdon Healthcare Hotline: (908) 788-6440

Primary Care providers will give prescriptions to their patients for testing.

COVID-19 Testing Sites, continued

MedExpress Urgent Care Hackettstown:

Address: 228 Mountain Ave, Hackettstown, NJ 07840

Phone: (908) 852-2470

Call ahead before driving to site, as testing times vary each day. Drive to site and call center from your car in parking lot to be put in the queue. You will be called back in order, screened, and tested while you remain in the car. Visit will be considered an office visit for insurance purposes. If they determine you need to be examined, you will be seen by a healthcare provider.

MedExpress Rockaway:

Address: 346 Route 46, Rockaway, NJ 07866

Phone: (973) 627-4870

When you arrive, stay in your vehicle and call center. A MedExpress team member will complete a brief screening with you over the phone. Team member will walk through next steps of your care while you remain in the car.

Pixel by LabCorp™ COVID-19 at-home kit:

<https://www.pixel.labcorp.com/at-home-test-kits/covid-19-test>. To order, click on **Get Started** for self-nasal swab. If you have severe symptoms, contact your healthcare provider.

Prestige Infusions:

Address: 116 Boonton Ave, Kinnelon, NJ 07405

Phone: (973) 850-6843

Visit prestigeinfusion.com to login, complete the screening, and schedule the test (three different types of tests offered). Will accept walk-ins. Insurance not required.

St. Luke's University Healthcare Hotline: 866-785-8537

If you have St. Luke's primary care physician, call your physician, who will place prescription order in St. Luke's testing portal. The physician's office will refer you to St. Luke's urgent care centers, mobile testing units in Pennsylvania or other lab locations to get tested. If you are uninsured, call main number above, press 7 for COVID-19 information. You will be transferred to a nurse for assessment and prescription. Payment is patient's responsibility.

Public Health

COVID-19 Testing Sites, continued

Walmart, Flemington:

Address: 152 Route 31 North, Flemington, NJ 08822

Phone: (908) 788-6769
